

DRAWING AMENDMENTS

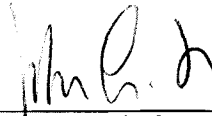

Replacement sheet 1 of the drawings is submitted herewith.  
In the replacement sheet, FIGS. 1 and 2 are labeled as prior art.

REMARKS

The description and claims have been amended in light of the examiner's objections.

Since all the examiner's objections have been addressed, and the examiner's suggested amendments have been adopted, it is believed that this application is now in condition for allowance.

Respectfully submitted,

---
